

Annexe

Camper annexes come with a full frame which makes them self supporting – no need for ropes. Roof is manufactured from durable 13oz Australian made canvas. Walls are manufactured from 11 oz Australian made canvas 1 door, 2 windows (Midgee proof mesh on windows)

Extended Annexe

Annexe can be extended at one or both ends (1.2m per end), to increase the living space inside.

Extras

- Verandah
- Flywire door
- Clear window protectors
- Extra windows & doors
- Poly fabric velcro floor

Bag Awning

- Durable white PVC roof (460gm, UV stabilized, mildew resistant)
- 11oz canvas walls, 1 door, 2 windows.

- Midgee proof mesh on windows.
- Walls easily Velcro to roof.

Conveniently rolls up & stores in bag on side of van when not in use.

Bed End Flies

For extra weather protection and privacy bed end flies are highly recommended. Will also prolong the life of the canvas tent section. Can be made with bag to roll up and store on side of van.

Kitchen Awnings

Offside kitchen awning for shade and weather protection. Adjustable arms change the angle of your awning. Windows can be left open even when it is raining.

Budget Awnings

Poly fabric awnings are ideal for short or overnight stays as a quick alternative to setting up a full annexe
